

isMorto

```
graph LR; A[isMorto] --> B[Snake.game.utility.gameManager.isMorto];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'isMorto'. A dark blue arrow points from the right side of this box to the left side of a larger, white box on the right. This right box contains the text 'Snake.game.utility.gameManager.isMorto' on the top line and 'Morto' on the bottom line.

Snake.game.utility.gameManager.is
Morto
